

# SCHOLARSHIP PROGRAM

The Foundation is pleased to be able to provide as much assistance as possible for qualified individuals and families to participate in Jamestown Parks and Recreation activities and facilities. This assistance is available, within the limits of our resources, to individuals that complete the application, attend the program regularly, and abide by program expectations. In addition to support for program registration fees membership assistance is available for Two Rivers Activity Center (TRAC).

The TRAC scholarship program supports the cost of a TRAC membership for individuals and families who would not otherwise be able to afford membership. To apply for a TRAC scholarship apply online at [tracjamestown.com/memberships](http://tracjamestown.com/memberships)
