JOIN THE CONVERSATION: JAMESTOWN PARKS & RECREATION DISTRICT CALLS FOR YOUR VOICE IN
COMPREHENSIVE PLANNING FOCUS GROUPS

JAMESTOWN, ND – November 6, 2023 – The Jamestown Parks & Recreation District invites you to be a part of shaping the future of our parks and recreational spaces! We're excited to announce the opportunity for you to participate in our Comprehensive Planning Project Focus Groups.

What's the purpose of these focus groups?

The focus groups are like brainstorming sessions where we talk about what makes our parks awesome and how we can make them even better. Your ideas and opinions will be the building blocks for our Comprehensive Parks Master Plan, guiding us to create spaces that truly match what you want.

How do focus groups make a difference in the planning process?

Focus groups are our way of having real conversations with you. We want to dive deep into what you think about our parks, what needs you have, and what improvements you'd like to see. Your diverse perspectives help us see things from different angles, ensuring that the Comprehensive Parks Master Plan considers all the unique ideas and needs in our community. Your input isn't just a piece of the puzzle; it's a crucial part of crafting a plan that truly represents Jamestown's vision for its parks and recreation spaces.

When are the focus groups happening?

We're planning to host the focus groups virtually using Microsoft Teams during the week of December 11. This is your chance to connect with us from the comfort of your own space, whether it's your living room or favorite cozy corner. Let's have a meaningful conversation about the future of Jamestown's parks and recreation.

How can you participate?

We want to hear from you! Fill out the interest form (<https://bit.ly/JPRD-FocusGroups>), but remember, just filling it in doesn't mean you're automatically selected. We want a diverse mix of people, so we might not be able to include everyone in the focus groups.

But don't worry – there are still other ways to join in, like the General Comment form (<https://bit.ly/JPRD-Planning-Comments>) and the Heart of the Park App (<https://bit.ly/JPRD-Park-Heart>). Plus, more chances will be coming your way!

Don't miss your chance to be a part of something big. Your voice matters, and together, we'll make Jamestown's parks and recreation spaces even more amazing!
