

Jamestown Parks and Recreation and JAYBAL invite you to become a permanent part of the McElroy Park Field Renovations project by purchasing a personalized brick to border the center plaza. Purchasing a brick is an easy way to leave a lasting family legacy on this project and at the same time donate to the McElroy Park Field Renovations.

The bricks will be installed in the Spring of 2025, and will create a beautiful border along the main plaza to honor our local citizens, family members, friends, veterans, pets, etc.

Buy your brick today and forever be a part of this project. Bricks are being sold for \$1,000.

**How to Order:**

Simply fill out the form below, payment can be made with a check today or we can send an invoice. Complete the area with the wording you would like on your brick. Space is limited to 3 lines per brick, 17 spaces per line. Brick size is 3.5" x 7.75".

**Order Form**
