

Jamestown Parks and Recreation invites you to become a permanent part of the Nickeus Park Playground Renovations project by purchasing a personalized brick to border the main walkway to the playground. Purchasing a brick is an easy way to leave a lasting family legacy on this project and at the same time donate to the Nickeus Park Playground Renovations.

The bricks will create a beautiful border along the main walking path to honor our local citizens, family members, friends, veterans, pets, etc.

Buy your brick today and forever be a part of this project. Bricks are being sold for \$1,000.

How to Order:

Simply fill out the form below, payment can be made with a check today or we can send an invoice. Complete the area with the wording you would like on your brick. Space is limited to 3 lines per brick, 17 spaces per line. Brick size is 3.5" x 7.75".
